MEMORANDUM FOR: Director of Training

SUBJECT : Symposium on the Freedom of Information Act

1. Attached is a notice received from the Civil Service Commission outlining a symposium on the Freedom of Information Act and amendments which is to be held on 14 March. It would seem to me that it might be useful for the Office of Training to send one or more people to the symposium to see how the Commission is handling this matter. Obviously, the Freedom of Information Act is a new and significant factor in the Agency's business and probably should be cranked into various Agency training courses.

2. For your information, representatives of the Information Review Staff and the Office of General Counsel are planning to attend this symposium.
